Aurora Community Services Established in 1986.  
"An Employee Owned Company"

**Aurora**  
community services

### *Company Mission -*

To provide progressive, high quality, consumer directed, community based services, in an innovative, cooperative and flexible environment that empowers the individual to successfully live in their chosen community.

### **Aurora Community Services (ACS)**

From a single company in 1986, Aurora Community Services has now grown to include five separate companies each with a passion to help individuals with disabilities and other challenges to live a life of independence in their community.

### **Aurora Residential Alternatives (ARA)**

ARA was founded in 1986 and has almost 25 years experience in providing compassionate and professional residential alternatives for individuals with developmental disabilities, chronic mental illness, and traumatic brain injuries. ARA provides homes for more than 350 individuals through 90 residential homes statewide and emphasizes that programs should serve people and be customized for each individual.

ARA staff possess a wide variety of backgrounds and expertise ranging from behavioral specialists to brain injury specialists and other mental health professionals.

### **Aurora Community Health (ACH)**

ACH is a state licensed, Medicaid/Medicare certified Home Health Agency, which began services in 1996. Our registered nurses have a combination of 25 years nursing experience with varied populations, including developmental disabilities, chronic mental illness, traumatic brain injury as well as the frail elderly. ACH community based (versus hospital based) work history, has made each nurse a strong advocate for individuals living in the community.

ACH's registered nurses are all Certified Care Managers through the National Association of Professional Geriatric Care Managers.

### **Aurora Community Counseling (ACC)**

Aurora Community Counseling (ACC) was established in 1996. ACC currently operates state licensed outpatient mental health clinics in the following communities: Eau Claire, Menomonie, New Richmond, Ladysmith, Plover, Siren, and Spooner. ACC therapists work with individuals, couples, families, groups, and employees. Therapist specialties include AODA, brain injuries, and military issues.

### **Aurora Vocational Services (AVS)**

Aurora has provided vocational services since 1998 and due to unprecedented growth, AVS was organized as a separate company in 2009. AVS provides individualized vocational services to assist individuals in obtaining employment which matches their skill levels. Originated in 1998, AVS contracts with the Division of Vocational Rehabilitation (DVR) and several county and managed care agencies to provide employment assessments, job placement, and vocational coaching.

AVS also operates six Day Service Centers throughout the state where consumers learn life skills like meal preparation and vocational skills which can be used in the workplace.

### **Aurora Integrated Management (AIM)**

AIM Wisconsin originated in 2009 and consists of the management group for Aurora Community Services. Aurora's management team is a diverse and experienced group of professionals with backgrounds in medical, mental health, and business fields. AIM members are available for consulting, training, or speaking on a wide variety of mental health, motivational, leadership, and organizational development issues.
