

Mental Health Therapist

Seeking a full-time licensed Mental Health Therapist for a unique opportunity being offered in LaCrosse, Wisconsin. This position offers variety and unique leadership opportunities to the right individual.

Responsibilities:

- Providing outpatient mental health counseling to individuals, couples, families, and groups out of the ACS office in LaCrosse, Wisconsin.
- Provision of in-home mental health support services to eligible LaCrosse County residents
- Provision of clinical supervision to unlicensed mental health professionals delivering in-home mental health support services.

Education, Experience and Skills Required:

Successful applicants will be enthusiastic, value community mental health, be flexible and team oriented, and enjoy being part of a new and growing service.

Requires Masters Degree in social work, marriage and family, counseling, or related field and active LPC, LMFT, or LCSW.

Valid driver's license and solid technical skills also required.

ACS offers a flexible working environment and competitive wages and benefits.
